

CALLING ALL FORMER WATERINGBURY PRIMARY SCHOOL PUPILS

We want to create and strengthen our links with former Wateringbury Primary School pupils.

Can you help us?

Our school has always had a special community feel. We want to build on existing strong links by finding former pupils of both our Bow Road and Red Hill sites. As well as enabling school friends to reunite, we hope to use the skills and experience of our former students to inspire current and future pupils, to help us to network with the local business community and to raise funds to ensure the success of the school for generations to come.

Email your details to alumni@wateringbury.kent.sch.uk and/or fill out the form overleaf.

We look forward to hearing from you.
