12.6.20 **RED, Yr 6**
26.6.20 **ORANGE, Yr 5**
Thank you for adding to your diary.

News Flash!

PINK CLASS need a volunteer on Friday afternoons 1:15-3:15pm. Mrs McGrath will soon be off for hip treatment and will be signed off for a term. Email interest to office.

Our school-wide attendance figure is up on last year's from 95% to 96%. This puts us in the second highest quintile. Working together, school and families, is the best way to ensure good outcomes.

Please ensure you **pay for all school trips and swimming promptly** using School Gateway as the preferred method of payment. Many thanks.

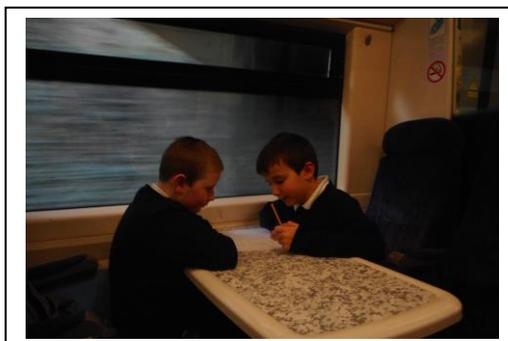

Football Clubs sign-up next week. Details in the letter attached. Three clubs for Years 1&2, 3&4 and 5&6.

Dear parents, The first Wednesday back after half-term is our Maths Forum, a chance for you to observe how arithmetic is taught in classes. The maths covered in class is always an important section on our weekly Learning Summaries which are emailed weekly to parents. From 2:30-3:00pm, you are invited into classrooms to work alongside your child. At 3:00pm, Key Stage 2 parents will go to the hall for a demonstration and questions. From 3:30 - 4:15pm, everyone is invited into the hall where teachers will show how you can help your child with their maths at home. We feel that this is such an important area that we are providing childcare from 3:30pm to help parents to attend. As we need to know numbers, please email office@wateringbury.kent.sch.uk with the subject line Maths Forum and indicate whether you'll require childcare and for whom and what ages. The children are keen to show you what they know!

Congratulations to the Year 6 team, ably led by Poppy, Isabella, Henry and Louie, for their cake sale and the impressive amount of £180 raised. This will be split between the Red Cross and an animal rescue charity. Also, congratulations to Leo in Year 2 who sold sketches of koalas and joeys and raised £55 for animals orphaned or injured in the fires. Thank you, also, to parents for their help. These charity stalls are entirely student initiated and run.

Year 6 had a terrific trip to the British Library in London to view Buddhist artefacts as part of their RE studies. The children were completely engrossed in the exhibition. Their excellent behaviour was commented on by teachers as well as members of the public. We are proud to take our children out on such trips as they always rise to the occasion and gain so much from the experience.

Yours sincerely, Chasey Crawford Usher, Headteacher
